

# 2018 | CampAbility

Register from January 22 to February 23 and save \$100!

**Registration Deadline: April 20, 2018**

Traditional day camps are not always an option for parents of children with special needs and that is why we offer CampAbility – a day camp for children specifically designed to meet the needs of your family.

Your child (ages 4 - 10 by June 1, 2018) can grow, learn and have fun while exploring sensorimotor experiences, expanding communication skills and enhancing social skills. We do all this in a fun, nurturing environment that includes theme days, field trips and guest visitors.

Our indoor and outdoor camp activities have been designed by physical therapists, occupational therapists, speech-language pathologists and special education teachers because we know you want meaningful activities for your child. Our staff members are professionals who are trained to work with children with special needs.
