Crossroads

Are you looking for a summer camp where your child will grow, learn and have a lot of fun? CampAbility is a day camp option for children with disabilities; it might be just what your family is looking for! We have been meeting the needs of families in Indianapolis for a long time – over 85 years!

Your child (ages 4 - 10 by June 1, 2023) can grow, learn and have fun while exploring sensorimotor experiences, expanding communication skills and enhancing social skills. We do all this in a fun, nurturing environment that includes theme days, field trips and guest visitors.

Our camp activities have been created by physical therapists, occupational therapists, speech-language pathologists and special education teachers to provide the most meaningful activities for your child. Our staff members are college students and professionals who are experienced working with children with disabilities.

CampAbility takes place at Warren Early Childhood Center located at 1401 N. Mitthoeffer Rd, Indianapolis, 46229.

Registration opens February 14! Sessions will fill quickly; register by March 17 (or until sessions are full) for the early-bird price of \$229 for each two-week session. Cost increases to \$329 after March 17 if sessions still have openings. A \$99 deposit fee is due at time of registration.

Scholarships (first come, first served) are available based on eligibility.

- All sessions operate from 9 a.m. to 3 p.m.; days vary due to holidays.
- Snacks will be provided; parents are asked to pack brown-bag lunches.
- Before and after camp care is available from 8 a.m. - 9 a.m. and from 3 p.m. - 5 p.m. for an additional fee of \$8 per hour if preregistered before camp sessions begin and \$11 per hour if drop in.
