The Indiana Remembering Our Fallen is a memorial display honoring our Indiana military who have died in a war zone since September 11, 2001.

The exhibit is produced by Patriotic Productions and made possible through generous support from Bellevue University.

Easterseals Crossroads is a nonprofit organization that recognizes urgent needs facing our veterans as they reintegrate into communities after serving our country.

For information about scheduling Indiana Remembering Our Fallen, visit eastersealscrossroads.org or call 317.466.1000.
